AND AN EXTRAORDINARY VOYAGE —

THIS IS THE MOMENT YOU'VE BEEN
ANTICIPATING FOR SO LONG,
THE BEGINNING OF YOUR OWN MAGICAL
CUNARD STORY. UNPACK YOUR BAGS,
STEP OUT ON DECK, AND BEGIN.

IN THE WORLD, THERE ARE THOSE WHO SET THE STANDARD.

For over a century and a half, the iconic ships of Cunard have been defining sophisticated ocean travel. They have always been The Most Famous Ocean Liners In The World.SM

From her fabled vessels of the past to her present royal court — QUEEN MARY 2, QUEEN ELIZABETH 2 and QUEEN VICTORIA — Cunard has carried guests across the great oceans and to the far points of the globe in unparalleled style. The most glamorous names of the age, yesterday and today, have made Champagne toasts in her salons, waltzed the night away in her grand ballrooms, savoured grand feasts of the finest flavours in her dining rooms, and whiled away hours immersed in fascinating conversation on her decks.

We invite you to take your place in the rich heritage of ocean travel, and write your own classic adventure tale. Join us for a journey on the legendary ocean liners of Cunard.

SOPHISTICATED, DECIDEDLY BRITISH AND UNDENIABLY CUNARD.

When is a voyage so much more than simply travel? When you're sailing with the QUEENS of Cunard. For to board a Cunard ocean liner is to take your place in an unbroken lineage of civilized British tradition spanning 167 years.

Cutting across the sea on a sleek, modern ocean liner captures all the excitement and elegance of The Golden Age of Travel. You'll pass effortless hours from port to port, memory to memory — while being pampered by Cunard's famed White Star Service,SM such as the deck attendant who brings a blanket to your teak chaise lounge when the wind picks up, or the waiter who pours your Darjeeling into a Wedgwood china cup at Afternoon Tea. You'll find the experience calls forth a part of yourself you had forgotten existed... the boy who imagined conquering the seas, the little girl who dreamed of being a queen.

Indeed, a voyage with Cunard is less about where you are sailing to, than indulging yourself in the way you get there.

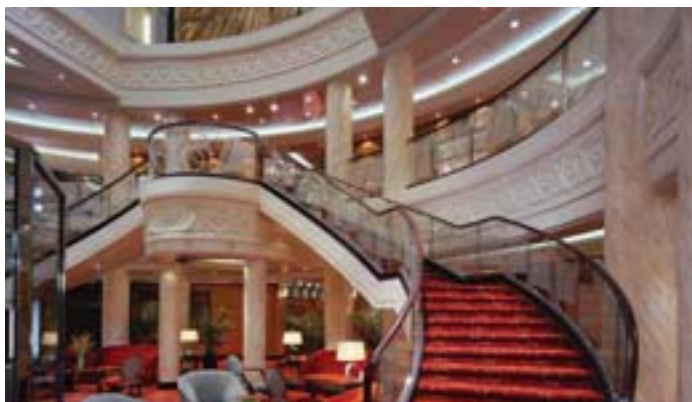

IMMERSE YOURSELF IN A FANTASY OF BYGONE ELEGANCE.

Long ago, a Cunard voyage was the only way to travel the world. A private universe of grand spaces, extravagant dining and intriguing company. Some things never change.

To sail on today's *QUEENS* is to recapture the magic that travel was once about. Like Cunard Royal Nights — formal balls that offer the rare chance to don your tuxedo or gown, sip Champagne and waltz through the largest ballroom at sea to the sounds of a live orchestra. Or, attending a lavish performance in an elegant theatre and invoking your inner high roller, with a martini and a hand of poker at a Monte Carlo-style casino. You may have imagined Clark Gable relaxing in a lounge, sipping a single-malt scotch and listening to a piano player, or Marlene Dietrich making her famous *grande descente* toward an opulent dining room. Have you ever thought it could actually be you?

Yes, a voyage with Cunard is your opportunity to step back into the fantasy of a Golden Era, and live the dream.

EXPERIENCE NEW THINGS, MAKE NEW FRIENDS, DISCOVER NEW VISTAS.

On the open seas aboard a Cunard ocean liner, you'll find that time does something unusual — it slows down, allowing you to experience countless singular moments of refined luxury, shared with a select few of the world's most adventurous, discerning travellers.

You'll meet and mingle with a mixture of international guests onboard. Like the fascinating Brazilian gentleman who sat next to you at an enrichment lecture, or the British couple you met in Golden Lion Pub, with whom you shared a pint and a game of darts. You'll enjoy witty repartee with the diverse guests who might join your table at breakfast each morning, and discuss world affairs with others you meet during a reading by a famous author or at an art class. By your second or third day onboard, you'll find you are experiencing the world just a little differently than you were before. You're waking each morning refreshed, excited for new conversations and experiences that lie ahead.

JOURNEYS AS LEGENDARY AS THE OCEAN LINERS THAT TAKE YOU THERE.

Wherever you travel with Cunard, you can be certain of one thing: seeing the world's wonderful places aboard an iconic QUEEN is an experience without equal.

What unforgettable voyages these are! Imagine, for a moment, sailing along the sunny coasts of the Mediterranean on one of the world's most famous ocean liners — just as royalty, celebrities and heads of state have been doing for over a century and a half. There are voyages through the lush islands of the Caribbean, and itineraries on the brand new QUEEN VICTORIA sailing the Baltic Sea or the fjords of Norway and the Mediterranean. Perhaps you'd like to take part in the epic adventure of the World Cruise — with two unique global itineraries on two ships in 2008. Then, there's the legendary voyage that started it all — the Transatlantic Crossing, sailing either into or out of our long-held home port of New York on the grandest ship at sea — QUEEN MARY 2.

THE CUNARD GRILLS, AN INDULGENCE IN CLASSIC LUXURY.

You may have always dreamed of what it would be like to travel as royalty, sipping Champagne as you attend private parties and dine in exclusive salons. And you are in luck, for that experience still exists today.

Welcome to The Grills. A small, elite club of the most fortunate guests, savouring the pinnacle of personal service and rich amenities — the spacious, divinely appointed accommodation, luxurious extras like fine linens and duvets, butler* and concierge services plus much more.

In your Grill restaurant, you'll dine on Wedgwood china, sip wine from Waterford crystal, and enjoy the sophisticated camaraderie of distinguished, like-minded travellers, with whom you'll share one of the world's most refined travel experiences. Yes, you'll delight in all the activities and amenities of a grand Cunard QUEEN — but from the sparkling, privileged perspective of The Grills.

QUEEN MARY 2[®]

In her, the impossible was achieved. QUEEN MARY 2 is the grandest ocean liner ever — blending the refined, elegant details for which Cunard has been known through the ages with the most modern amenities possible. You'll revel in her generous, modern public spaces — the opulent ballrooms, palaces of fine dining, theatres and lobbies — and you'll cherish forever the wonderful memories you make rejuvenating in her spa, chatting with friends in her lounges, lolling in her pools and relaxing in a teak deck chair on her Promenade Deck. She was built to take you to the world's most fascinating places. But you may find it is this QUEEN herself that most takes your breath away.

Here you'll dance the night away at Cunard's famous Royal Nights formal balls, or take a salsa, cha cha, Latin or line dancing class. And every afternoon you can experience that most thoroughly British tradition — Afternoon Tea, complete with scones and white-gloved servers.

WORLD CRUISES

85 years ago, the Cunard LACONIA set sail on a voyage like no other. Excited guests — the rich, the famous, and those with adventure in their soul — boarded with their trunks and dreams of faraway places. That was the first World Cruise ever. In the near century that followed, many Cunard ships circled the world on this voyage of all voyages. And the heritage of grand travel and exploration continues with an extraordinary journey around South America and through the Pacific Rim on QUEEN ELIZABETH 2 — a chance to see the world in with a classic Cunard royal. And few experiences in life can match the excitement of joining a new ship as she circumnavigates the earth, almost every port she visits a maiden call — which is exactly what you will experience on QUEEN VICTORIA's Maiden World Cruise.

QUEEN VICTORIA MAIDEN WORLD CRUISE

Vietnam

QUEEN VICTORIA sets sail January 13, 2008, from New York on her first-ever World Cruise, bound for many of the world's most distant and exotic points, and many of her most fabled sights. She'll sail through the engineering marvels of the Panama and Suez Canals, and across the South Pacific. She'll enter great harbours like Sydney, Hong Kong and Honolulu. And she'll visit ancient civilizations in India, Egypt and Greece. Plus, as an added attraction for those onboard, she'll be calling for the first time in many of the world's greatest cities, where a variety of celebrations and ceremonies are certain to mark the occasion.

QUEEN VICTORIA WORLD CRUISE HIGHLIGHTS

The Panama & Suez Canals

Besides connecting the world's great oceans and seas — the Atlantic and Pacific oceans in the case of Panama, and the Red and Mediterranean seas in the Suez — these two engineering feats boast something else in common. Both were planned initially by French engineer, Ferdinand de Lesseps.

Honolulu

Hawaii's largest city is known for many things, including one of the most beautiful metropolitan settings in the world. It's also famous for historic Pearl Harbor, where the Japanese bombing of December 7, 1941 marked a turning point in the history of World War II.

Sydney

The capital of the Australian state of New South Wales, Sydney has transcended its colloquial roots to become one of the world's great cities. Besides its iconic Opera House and soaring bridge, the city is known for great restaurants, fine art galleries and wonderful beaches.

Hong Kong

Paradox may be the word that best describes this fascinating Asian city. Ancient alleyways speak to the past in the shadows of ultra-modern skyscrapers. And Chinese culture resides alongside displays of international wealth and capitalism. You can even still take a harbour tour in a traditional junk.

Luxor/Karnak

Luxor is often called "the world's greatest open air museum." And with good reason. For within city limits and nearby environs are a staggering array of wonderfully preserved ancient ruins — most impressively, the temple complexes of Luxor and Karnak.

Athens

Another of mankind's most incredible cities, Athens' recorded history dates back at least 3,000 years. And evidence is on display at nearly every turn — from the famous Parthenon on the Acropolis to the ancient marketplace, the Agora, to the tavernas and alleyways of the wonderful Plaka.

QUEEN ELIZABETH 2

SOUTH AMERICA, PACIFIC & FAR EAST ODYSSEY

Rio de Janeiro, Brazil

It's the classic voyage on the classic Cunarder — The World Cruise on QUEEN ELIZABETH 2. On the 2008 version of this epic journey, she sails down the coast of South America, rounding Cape Horn, then circles the Pacific Rim. Exotic locales like Easter Island, Tonga and Tahiti share a magnificent itinerary with modern metropolises like Sydney, Singapore, Shanghai and Rio de Janeiro. And through it all, you'll enjoy the relaxed elegance of a true original — QUEEN ELIZABETH 2 — whose utterly unique charms will undoubtedly win you over to her leagues of devoted fans.

QUEEN ELIZABETH 2 WORLD CRUISE HIGHLIGHTS

Rio de Janeiro

Sensory overload has never been so pleasurable as in passionate Rio. "The Marvelous City" as locals call it boasts a wide variety of attractions, from the famous Christ the Redeemer statue atop Corcovado mountain to famous beaches like Copacabana and Ipanema, and that all pervasive music and dance.

Cape Horn

The southernmost headland of the Tierra del Fuego archipelago of southern Chile, Cape Horn has fascinated seagoing adventurers for ages. On the World Cruise, the stunning scenery of this incredible place is certain to be a highlight.

Easter Island

Known in the native language as Rapa Nui, this mysterious island is always a favourite destination on any itinerary. When the Dutch discovered the island on Easter Sunday, 1722, they were mystified by the famous giant Moai carvings that remain the main attraction today.

Auckland

The largest city on the largely rural island of New Zealand, Auckland combines sophisticated urban attractions with a quirky charm, making it one of the more fascinating cities in the world. While here, don't miss Auckland's many lovely parks and Mount Eden, a dramatic volcanic cone with a grassy crater.

Ho Chi Minh City

Known as Saigon until the end of the Vietnam War, Ho Chi Minh City is Vietnam's largest city and offers a fascinating study in colonialism. You can still enjoy a perfectly baked baguette at a café on your way to the Museum of Revolution, Suoi Tien Cultural Park or any of the city's other sights.

Shanghai

To get a clear glimpse into China's future, head for the ancient city of Shanghai. Situated on the banks of the Yangtze River, this busy port is home to some of the world's most modern buildings. Yet a bit of exploring reveals such relics of the past as Jing'an Temple and Yuyuan Gardens.

THE CROSSING

There's a sense of history and romance to a Transatlantic Crossing you just won't find with any other travel experience. That's because this is the very voyage for which Samuel Cunard launched his fabled ocean liners. Immigrants, stars of stage and screen, and royalty have all crossed through the decades.

Today, guests join the rich tradition and savour six relaxing days at sea to enjoy all the amenities and activities the grand QUEEN MARY 2® has to offer — the extravagant balls, the fascinating lectures, the sophisticated dining and intriguing mix of international guests onboard. Come aboard for an adventure that has continued ever since the BRITANNIA® left Coburg Dock in Liverpool for the first Cunard Transatlantic Crossing on July 4, 1840.

A TIMELESS ADVENTURE AWAITS

Cunard ocean liners have been sailing across the mighty Atlantic, between Europe and the New World, since the mid 19th century. But there's never been an experience quite like making the legendary Transatlantic Crossing aboard the glorious QUEEN MARY 2. Yes, you will enjoy all the romance of lore — six to eight leisurely days sailing between New York and Southampton, Hamburg or Cherbourg, filled with formal balls, grand dining, and the intriguing company of your fellow travellers. But you will savour this most distinctive and historic of Cunard journeys from the decks of the grandest ocean liner to ever sail the seas.

DAY 1

Your first glimpse of her from the dock makes your heart skip a beat — the famous, majestic QUEEN MARY 2. The adventure you've been planning so long is about to begin.

Crossing the gangway and stepping aboard, you are instantly awed by the grandeur — the smartly dressed guests, the soaring Grand Lobby, the ornate halls and rich details. Get settled in your comfortable stateroom, then set out to explore this regal ship — making it out on deck just in time for sailaway, the Statue of Liberty watching over your departure.

DAY 2

Your first morning aboard breaks with the thrill of possibility. When was the last time you had even just a single day with no responsibilities, to enjoy as you pleased — much less six?

This day you begin decadently — with a double cappuccino and an assortment of pastries. Afterward, you'll stop in the Library — the largest at sea — to check out a novel or find out about joining the Cunard Book Club — before heading to the Canyon Ranch SpaClub® for an Ayurvedic massage or maybe a pedicure. While you're there, perhaps you'll want to visit the salon, for tonight is the first of The Crossing's "Royal Nights" — the Captain's Black and White Gala Ball. But in the meantime, some shopping at Hermès and Chopard beckons.

DAY 3

An early yoga class is the ideal way to begin another day on the vast Atlantic. Afterward, you'll enjoy a traditional English breakfast in the Kings Court.

You're beginning to get the hang of this! You glance over the day's offerings, and select those which most appeal to you — a lecture and book signing with a famous author; a thrilling presentation of *Cosmic Collisions*, narrated by Robert Redford, in the only Planetarium at sea; and an art auction with complimentary Champagne. Of course, you can always change your mind. That's the beauty of the Transatlantic Crossing. But don't forget — you've got a 7 p.m. reservation at Todd English Restaurant.† And afterward, you might attend an exuberant musical in the Royal Court Theatre, dance to the latest tunes in the G32 disco, or swing to classics at Big Band Night in the Queens Room — complete with the largest orchestra at sea.

DAY 4

A coffee out on deck for sunrise. The day is warm, and you dive into that stack of postcards you've been meaning to write. Won't your friend be tickled when they see the postmark: "Posted Onboard — QUEEN MARY 2 — Transatlantic Crossing." You only finish two cards and drop them into the traditional red Royal Mail postbox onboard. Now it is time for a stroll through Cunard's history in the Maritime Quest Exhibit, located throughout the ship. You explore several "pathways" — Stars Aboard, A Great History and On the Bridge — before hunger strikes. You run into that nice British couple you met at an art class on their way to the Golden Lion Pub for fish & chips, and they invite you to join them. Don't forget to save room for fresh scones at Afternoon Tea in the spectacular Queens Room. And to save time for martinis and majestic sunset views from the Commodore Club, a perennial guest favourite.

†Surcharge applies. Reservations required.

DAY 5

How quickly the time seems to be passing. You could certainly enjoy another six days like this... A fleeting thought crosses your mind — perhaps you should save the airline ticket home, and come back the same way you went! Of course, you can always reserve another Crossing next year. Maybe it will even become an annual ritual!

After a hilarious workshop with graduates of London's acclaimed Royal Academy of Dramatic Art, you head for a lecture on art history. Before sunset, you stop at the Sports Deck for a round at St. Andrews on the golf simulator. Then, a glass of Champagne at Veuve Clicquot® Champagne Bar begins another perfect evening. Next comes one more sumptuous dinner and then the evening's highlight — another formal Ascot ball, more dancing, more sparkling conversation. Some fairytales do come true.

DAY 6

Your last day at sea begins with an unexpected surprise — as you take your daily morning walk around the Promenade Deck, you are surprised by the sound of a spout, and then another... And just off the port side of the ship, you spot a pod of whales surfacing. A clear sign that this will be yet another exceptional day. You've done so much this voyage, that today you decide you will do the one thing you haven't yet found the time to do — absolutely nothing. Relax poolside with a good book, take a nap perhaps... And save your energy for one last Atlantic evening of wining and dining, dancing and romancing, and sharing memories with the new friends you've made onboard.

DISEMBARKATION

Stepping across the gangway, returning to your real life, you bid QUEEN MARY 2 adieu. But there is no sadness, for you will remember this extraordinary experience all your days. And you've already begun thinking about Crossing again next year!

NORTHERN EUROPE

For sheer drama, few regions can compare to Northern Europe. The amazing cliffs of the North Cape, Europe's northernmost point, or the awe-inspiring fjords of Norway. And the Baltic Sea, home to quaint Scandinavian landscapes and fairytale cities like Stockholm, Copenhagen and St. Petersburg. Sail there with QUEEN VICTORIA or QUEEN ELIZABETH 2, and you'll experience the region from a decidedly European perspective — the way it was meant to be seen.

Catherine's Palace, Russia

NORTHERN EUROPE PORTS OF CALL

Ålesund, Norway

Ålesund, Norway

Blessed with one of Northern Europe's most picturesque settings, this charming Norwegian port is known for its vast fishing industry as well as the gorgeous art nouveau architecture.

Bergen, Norway

Surrounded by seven mountains, this charming college city is a true Norwegian jewel. The city is anchored by Torgalmenningen, the city's central square, and the lovely waterfront. But it may be its stunning fjord setting that most distinguishes this destination.

Copenhagen, Denmark

The spirit of Hans Christian Andersen pervades this lovely city, as evidenced by The Little Mermaid statue that looks out over the harbour. Visit the magnificent Christiansborg Palace, and sample the city's famous open sandwiches — called "smørrebrød."

Flaam, Norway

Considered the gateway to Norway's breathtaking fjord region, Flaam is a charming village located at the end of Aurlandsfjord, a side-arm of the world-famous Sognefjord.

Gdansk (Gdynia), Poland

Best known as the birthplace of Poland's historic Solidarity movement, Gdansk is also home to beautiful historic landmarks, many clustered around Royal Way (Długa Street) in the old town.

Helsinki, Finland

The clean, modern city of Helsinki — known as the "White City of the North" — is the centre of Finnish culture and features an array of world-class museums and sites of architectural note.

Honningsvåg (North Cape), Norway

Inside the Arctic Circle, the steep and stunning cliffs of North Cape mark the northernmost point in Europe. And sleepy Honningsvåg, a typical Norwegian fishing town, may well be the most northerly city on earth.

Oslo, Norway

Norway's largest city and capital, Oslo is located at the end of the Oslofjord, from where the city spreads both to the north and south on either side of the fjord. Its main attractions include Akershus Castle and Fortress and the Munch Museum.

Stockholm, Sweden

Stockholm is a city renowned for its majestic beauty. Situated on 14 islands in the Stockholm archipelago at the mouth of Lake Mälaren, the city features Medieval streets in its historic centre, plus wonderful museums, lovely parks and much more.

Stockholm, Sweden

St. Petersburg, Russia

Founded by Czar Peter the Great in May, 1703, St. Petersburg served for over 200 years as the capital of the Russian empire, whose glory is on display in landmarks such as the Summer Palace, the former Winter Palace (now the Hermitage Museum) and the Cathedral of Peter and Paul.

Tallinn, Estonia

Tallinn, Estonia

Tallinn is the capital city and main seaport of Estonia. The beautiful Historic Centre (Old Town) of Tallinn is a UNESCO World Heritage Site, and the city boasts other points of interest like the traditional Russian Orthodox Alexander Nevsky Cathedral and the Old City Wall.

Tromso, Norway

The city centre of Tromsø, the eighth largest city in Norway, is located on the east side of the Tromsøya island — nearly 400 kilometres inside the Arctic Circle. Stay up late to see the midnight sun in summer; and don't miss the city's historic wooden houses.

CARIBBEAN & THE AMERICAS

You may have seen the Caribbean before. But you've never enjoyed it from the perspective of the grandest ocean liner ever built. QUEEN MARY 2 offers several itineraries to the region — including our popular 10-day voyages roundtrip out of our longtime homeport of New York, and now Ft. Lauderdale as well. Or, for an entirely different experience, visit historic Canada & New England with QUEEN MARY 2 or QUEEN ELIZABETH 2. A selection of 4- to 6-day Getaways offer a great way to celebrate Memorial Day, Independence Day, and other red letter days, while a thoroughly festive 22-day Holiday Voyage in December rings in the season on QUEEN VICTORIA.

St. Lucia

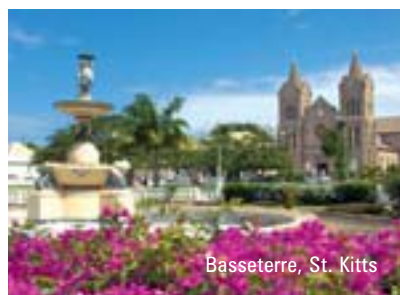

CARIBBEAN & THE AMERICAS PORTS OF CALL

Bar Harbor, Maine

Located in the midst of Acadia National Park on Mount Desert Island, Bar Harbor is an historic town with a quiet New England flavour. Hike picturesque Cadillac Mountain or shop for local crafts in the quaint village centre.

Basseterre, St. Kitts

St. Kitts is a Caribbean gem in the West Indies. The capital of Basseterre boasts elegant Georgian architecture and attractions like the St. Kitts Sugar Factory Museum, while diving and beachcombing beckon from the water's edge.

Basseterre, St. Kitts

Boston, Massachusetts

Walk in the footsteps of early American history on the magical Freedom Trail. You'll also want to save time for a visit to the famous Museum of Fine Arts and wonderful Faneuil Hall Marketplace.

Bridgetown, Barbados

In the British-flavoured Barbados town of Bridgetown, you can go hiking, fishing, diving and horseback riding. Or, visit the famous Mount Gay Rum Factory.

Castries, St. Lucia

Beyond St. Lucia's justly renowned pristine beaches, the sights of quaint Castries include Derek Walcott Square — named for the island's Nobel Prize-winning poet — and Fort Charlotte, located at the top of Morne Fortune.

Charlotte Amalie, St. Thomas

This, the largest city in the U.S. Virgin Islands, retains a laid-back West Indian atmosphere. Beyond the town, beautiful beaches beckon.

Cristóbal, Panama

This Central America city is your gateway to the magnificent Panama Canal, one of the world's greatest engineering marvels, often referred to as the Eighth Wonder of the World.

Halifax, Nova Scotia

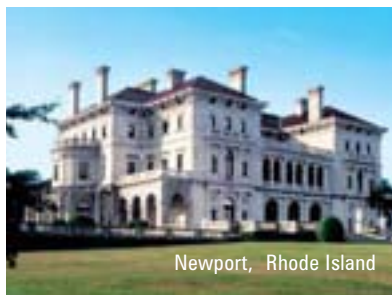

It was here that Samuel Cunard first launched his Transatlantic shipping company in 1840. You can see a statue of him at the waterfront, or visit nearby Peggy's Harbour with its famous lighthouse.

Kralendijk, Bonaire

You'll be charmed as you sail into the harbour of Bonaire's tiny capital of Kralendijk, with its narrow streets and buildings painted in pastel colours.

Newport, Rhode Island

Newport, Rhode Island

New York, New York

The Big Apple may be the world's most exciting city. You may find simply wandering its many neighbourhoods to be even more enjoyable than visiting the museums, the parks and landmarks like the Empire State Building.

Road Town, Tortola

The capital of the British Virgin Islands, Road Town is situated on the horseshoe-shaped Road Harbour. It offers the visitor colonial charms and Caribbean tastes.

Road Town, Tortola

Roseau, Dominica

Strolling past the French architecture along the postcard-pretty waterfront, you may think you are in the Mediterranean. But Roseau is a decidedly Caribbean destination of colonial houses and lively covered markets.

St. George's, Grenada

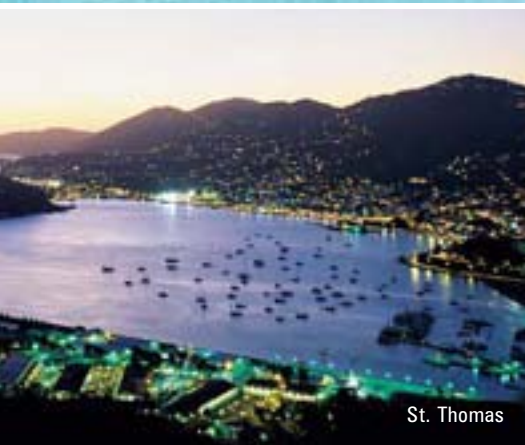

Surrounded by a lush volcanic crater, St. George's is a picture of Caribbean quaintness. When the wind is right, you may get a scent of the cacao, nutmeg, and mace for which the island is known.

Willemstad, Curaçao

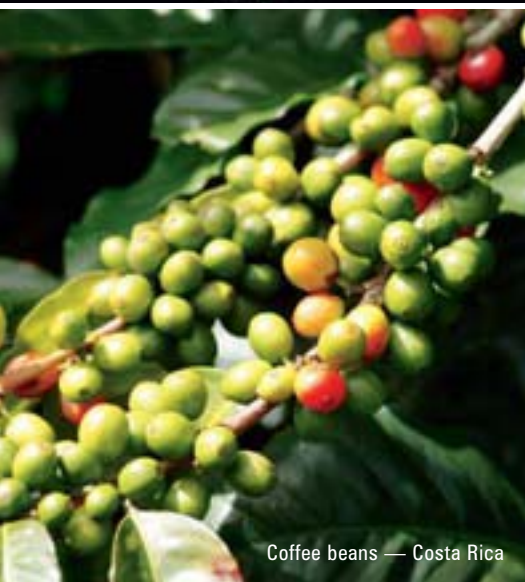

A UNESCO World Heritage Site, the thoroughly Dutch capital of Willemstad is one of the most recognisable cities in the Caribbean. You'll delight in its combination of shopping and sight with colourful coral reefs and beautiful white sand beaches.

PREPARING FOR YOUR VOYAGE

FREQUENTLY ASKED QUESTIONS

A voyage on **QUEEN MARY 2**, **QUEEN ELIZABETH 2** or **QUEEN VICTORIA** promises wonderful times and a lifetime of memories. So you'll want to be sure you're well prepared before you go, to ensure the most superb vacation possible. Here are answers to some of the questions you may have about a Cunard voyage.

How do the fares work? What is included?

All fares include accommodation as booked, onboard meals* and entertainment. Fares are per person based on double occupancy, cruise only, excluding air and transfers. Fares do not include government fees and taxes, optional travel protection, and incidental charges such as laundry, bar expenses, spa and salon treatments, shore excursions, etc.

Are there savings for booking early?

Yes. Early Booking Savings (EBS) are offered for most category grades on all sailings and are available to guests who reserve far enough in advance. EBS fares are capacity controlled and are subject to change without notice. Other restrictions apply. See fare charts for details.

Can you explain more about how tipping works?

During your voyage, you will meet staff throughout the ship who provide you with excellent service. Many more crew support those who serve you directly. For your convenience a discretionary Hotel and Dining charge will be added to your shipboard account on a daily basis (including children). This charge will be shared amongst those staff who help provide and support your experience, including the waitstaff, stateroom stewards, buffet stewards, galley staff, laundry staff and

others. Please note, this is a discretionary charge and should you wish to remove it or make any adjustments, contact the Purser's Desk onboard.

GRILL ACCOMMODATION: \$13 USD per person per day[†]

ALL OTHER ACCOMMODATION: \$11 USD per person per day[†]

Note: Casino dealers and Spa personnel do not share in the Hotel and Dining charge as not all guests utilize these services.

What about gratuities in the bars?

For your convenience, a 15% charge is added to your bar charges and dining room wine account. This is shared amongst the beverage service staff and their cleaners and utility staff.

What if I'm travelling by myself?

Cunard welcomes many single travellers on every voyage. There are countless ways to meet interesting people on board your ship — the "Welcome Cocktail Party," by choosing to sit at a larger table for dinner; and through activities like lectures and Bridge class. And for ladies travelling alone, Gentleman Dance Hosts make great dance partners.

*Excludes Todd English on **QUEEN MARY 2** and **QUEEN VICTORIA**, surcharge applies.

[†]Charges may vary or change without notice.

For those who wish to travel as the sole occupant of a double occupancy stateroom, the following single supplements typically apply:

QUEEN MARY 2 and **QUEEN VICTORIA**: For Grill categories (Q1-P3/P4), singles pay 200% of double-occupancy fares. For all other categories (AA/A1-D8), singles pay 175% of double-occupancy fares.

QUEEN ELIZABETH 2: For Queens Grill categories (Q1-Q4), singles pay 200% of double-occupancy fares. For all other categories (P1-M7), singles pay 175% of double-occupancy fares.

QUEEN ELIZABETH 2 also offers a choice of 107 single-occupancy staterooms in categories from Mauretania Inside to Queens Grill. These staterooms are specially priced for those travelling on their own.

Please be aware that supplements may vary and are subject to change without prior notification. Contact your Travel Professional or call 1-800-7-CUNARD for details.

What about third or fourth guests?

Fares for third/fourth guests in a stateroom vary by sailing and stateroom category. All third and fourth guests pay the same fare, including children. Not all staterooms and suites are equipped for additional guests; please consult the deck plans for more information, or contact your Travel Professional or Cunard for details.

Are children welcome on Cunard?

Children at least six months of age are welcome on most Cunard voyages; on Transatlantic Crossings and most World Cruise Segments, the minimum age is one year. We offer a full children's programme, from nursery to teens, so families can share this special journey together. We provide supervised activities for children aged one to 17 years throughout the day, and also offer free group kidsitting in the evening.

A child travelling as the second guest in a stateroom requires payment of the published per-person fare. In order to provide adequate activities and facilities for our younger guests, the number of children on a specific voyage may be limited; please contact Cunard for details. Guests under the age of 18 are not permitted to gamble or remain in the casino. Guests who are under 18 years of age are not permitted to purchase or consume alcohol onboard. However, whilst in U.S. waters, Cunard Line enforces and abides by the U.S. legal drinking age of 21 years.

Are dogs welcome?

QUEEN MARY 2's kennel programme is available on all Transatlantic Crossings between New York and Southampton in either direction, and is overseen by a full-time Kennel Master who takes care of responsibilities such as feeding, walking and cleaning the ship's 12 spacious kennels. Travelling dogs and cats also receive a complimentary gift pack and other animal amenities. The kennels and adjacent indoor and outdoor walking areas are open throughout the day, enabling passengers to spend significant time with their pet. Reservations for the kennels may be made at time of booking, and are based on space availability. Contact Cunard for fees and additional requirements. All animals must be in possession of pet passports.

Are service animals/guide dogs welcome?

Cunard is pleased to permit individuals to bring service animals onboard. You must provide notice of this at time of booking. Local laws or customs may prevent animals from disembarking at particular ports or countries. It is the guest's responsibility to consult local customs authorities for requirements and to obtain all applicable documents

and health certificates. Service animals are kept in staterooms with their owners. Non-service animals are only carried on **QUEEN MARY 2** Transatlantic Crossings, in kennels, and are not allowed to visit any guest area of the ship.

BEFORE YOU SAIL

What contact information can I give to my loved ones who might want to reach me?

Before your departure, in your final document package you will receive direct-dial telephone and fax information. When travelling aboard **QUEEN MARY 2**, you will also receive a personal stateroom e-mail address for your use.

What sort of attire should I bring?

During the day, casual attire is always appropriate throughout the ship. Evenings on all voyages are designated either Formal, Informal or Elegant Casual with dress suggestions listed in the ship's Daily Programme. Formal nights are among the most unique and exciting moments of many voyages — an all-too-rare opportunity to dress to the nines as you celebrate a Royal Nights grand ball, dancing across the largest ballroom at sea. However, even on Formal evenings, more Elegant Casual attire is perfectly acceptable at certain alternative dining venues.

FORMAL: Tuxedo or dark suit for men. Evening gown or other formal wear for women.

INFORMAL: Jacket and tie for men. Cocktail dress, dressy pantsuit or similar for women. No jeans.

ELEGANT CASUAL: For men, slacks, sweater, shirt and jacket. For women, skirt or slacks with a sweater or blouse. No jeans.

On shore, you'll want comfortable clothes for sightseeing. The type of clothes you bring depends on itinerary. But even in warmer climates, it can get cold on deck. So some warmer clothes are always advised. It is advisable to bring a lightweight raincoat and umbrella, and you'll want to make sure you have proper attire for visiting shrines, churches and temples (i.e. leg and shoulder coverings for both men and women).

Can I arrange to have someone handle my luggage to and from the ship?

Yes, we offer White Star Luggage Service, which is provided by a reputable carrier and is available exclusively to our guests. Continental U.S. Reservations must be secured at least 30 days prior to sailing date. Service can be requested within 30 days of sailing at an additional cost and is based on destination and availability. Please note you can purchase service home whilst on the ship. Additional terms and conditions apply. Call 1-888-491-0774 for more information.

WHILST ONBOARD

How many formal nights should I expect?

Formal nights are one of the most distinctive parts of the Cunard experience, and a great opportunity to socialise with like-minded travellers. The number of formal nights vary by voyage. Transatlantic Crossings typically have three formal nights, other voyages two to five depending on length and numbers of sea days. Of course, single travellers are welcomed at all events, and Gentlemen Dance Hosts are onboard to waltz and salsa with single ladies.

Who else will sail with us?

The range of sophisticated travellers onboard Cunard runs wider than you may expect — from your honeymooners to golden anniversaries, from celebrities and tycoons to friends and neighbours. The shared interest in the rich cultural experience onboard brings together guests of all ages and a variety of income levels. Plus, one of the unique advantages of a Cunard voyage is the international clientele. Their fame and style make our liners magnets for interesting people from all over the world — a wonderful opportunity for travellers who like to explore different cultures.

How can I stay connected whilst onboard?

Each ship's computer centre offers internet access via PC; on **QUEEN MARY 2** (and **QUEEN VICTORIA**), guests with laptops may also access the web via our wireless network, available in many public rooms. **QUEEN MARY 2** also offers in-stateroom e-mail access to her guests, via a "Cunardmail" account — information and addresses will be provided in your preliminary documents. Charges apply for these services.

How are money matters handled onboard?

The Purser's Desk is the financial centre onboard your voyage. Here, you will be able to exchange cash or travellers' cheques for most currencies. The official currency aboard all ships is the U.S. dollar. For your convenience, we ask that you pre-register your credit card at embarkation. Most onboard expenses are automatically added to this account. At the voyage's end, your account may be left on this credit card for the easiest possible settling, or may be transferred to another card or paid by cash or travellers' cheques.

Will I be able to clean my clothes whilst onboard?

Yes. Full laundry and dry cleaning services are available onboard, and will be billed to your stateroom. Complimentary self-service washers, dryers and ironing facilities are also available.

WHILST ONBOARD

Are there medical facilities onboard?

Yes, although these basic medical facilities are equipped primarily to deal with illness and accidents, and are not intended to provide ongoing treatment of pre-existing conditions. If you anticipate a need for medical services aboard your ship, your special requirement must be cleared in writing with Cunard before your booking can be finalised. Because medical facilities are limited and shoreside medical care is not always readily available, we will not be able to carry guests who will be 24 weeks or more pregnant by the end of the intended voyage.

Is smoking permitted in the ships' public areas?

For the comfort of all our guests, lifts and certain sections of public rooms have been designated as no-smoking areas. There is a no-smoking policy in all **QUEEN MARY 2**'s restaurants. **QUEEN ELIZABETH 2** has smoking sections in all restaurants (except Princess Grill) and public rooms. Guests who enjoy pipes or cigars are accommodated in the Churchill's Cigar Lounge aboard **QUEEN MARY 2**, and the Chart Room, Golden Lion Pub and designated areas in the Crystal Bar aboard **QUEEN ELIZABETH 2**. We do ask you to refrain from smoking pipes and cigars in other public areas. Please note, at printing smoking areas for **QUEEN VICTORIA** have not been determined.

WHILST ONSHORE

How do I plan my shore excursions?

A brochure explaining all the shore excursions that will be offered on your voyage will be included with your preliminary voyage documents. Many shore excursions have limited space available, so reservation requests will be processed in the order received. Therefore, we encourage to reserve tours as early as possible by returning the tour request form included with your preliminary documents. When excursions are fully booked, additional requests will be placed on the waiting list in the order received. Your tickets will be delivered to your stateroom on embarkation day and will be charged to your stateroom account. Throughout your voyage, there will be informative briefings announced in the ship's Daily Programme that will include tour information, shopping advice and other practical suggestions for the ports you will visit. You will also have the ability to view the port briefings and book shore excursions from the comfort of your stateroom. Our onboard tour staff can assist you in creating private tours for your party, using our Quality Guides. Shore excursions are operated by local, independent companies, not by Cunard.

CUNARD CARE®

A Cunard voyage is a time to relax and forget your cares — all of them. And you can when you include Cunard’s Guest Protection Programme in your plans. With CunardCare, you needn’t worry about the unexpected, even if you have to cancel due to illness.

If you have CunardCare, you have the peace of mind that comes with a protection programme designed specifically for cruise guests. CunardCare covers your voyage payment — up to \$50,000 per guest — if your trip is cancelled or interrupted due to unforeseen covered medical conditions affecting you, your immediate family or travelling companion sharing your stateroom. This amount is higher than some of the other plans that are not specifically designed for voyage guests. In addition, if you have a covered trip cancellation or interruption claim exceeding \$50,000, Cunard will supplement the approved cash reimbursement with a future travel credit to make up the difference.

FUTURE TRAVEL CREDIT FEATURE

If you must cancel your voyage because of a pre-existing condition, and your claim is denied on the basis of this exclusion, Cunard will issue a future travel credit equal to the non-refundable cancellation fees imposed less the programme premium.

COVERAGE FOR THE UNEXPECTED WORLDWIDE

Many health insurance policies including Medicare restrict coverage abroad. CunardCare offers worldwide protection for covered emergency medical and dental expenses up to \$20,000 and emergency medical evacuation up to \$50,000. With CunardCare you’ll also have trip delay coverage up to \$1,000, baggage protection up to \$3,000 and baggage delay protection up to \$500 while in transit to or from your voyage.

SOMEONE TO CALL, 24 HOURS A DAY

In the unlikely event you need help while you’re away, you can call On Call International around the clock. Their multi-lingual counsellors can help you in a medical, dental or legal emergency and offer assistance with emergency cash transfers and lost travel documents.

AUTOMATIC AFFORDABLE PROTECTION

The cost of this affordable protection will automatically be included on your voyage invoice unless declined at the time of booking or initial deposit payment.

YOUR CLAIMS WILL BE HANDLED WITH CARE

We hope that you never need the services included in this programme. But if you do, your claim will be evaluated by one of the world’s most reliable insurance administrators. The people at BerkelyCare, the independent administrators of the programme, are experienced in assisting cruise guests. They will handle your claims promptly and professionally.

Please Note:

1. This is a summary of coverage and services. To receive more information, ask your travel professional for the CunardCare “Description of Coverage,” or view the complete text at www.cunard.com. The programme administrator at BerkelyCare is also available to answer your questions, call 1-800-323-3153.
2. The travel protection coverages described under Section II of the description of coverage is underwritten by Virginia Surety Company, Inc. Policy No. HTP04193.
This programme provides limited health benefits only and shall be in excess of all other valid and collectable indemnity and insurance, and shall apply only when such other benefits are exhausted.
3. See the Description of Coverage for the terms, conditions, exclusions and limits of the programme. The trip cancellation provision of the programme takes effect upon receipt of programme cost, all other provisions upon departure. Please read the full terms and conditions of the plan prior to purchasing this programme.

SHORE EXCURSIONS

More than simply sightseeing tours, Cunard's Shore Excursions are sophisticated, carefully selected adventures designed to introduce you to the most memorable aspects of every destination. That may mean a guided stroll visiting a historic downtown's most important museums and cultural sights, or a 4-wheel-drive safari into the wilderness — whatever suits your interest. All tours are provided by local tour operators who meet Cunard's high standards.

What kinds of excursions can you expect to enjoy on your voyage? In Europe, the options are fascinating. You might visit landmarks of two of Spain's great geniuses, Picasso and Gaudi, in Barcelona, or enjoy a piano recital at the Edvard Grieg estate in Bergen. In Cannes, you might embark on an in-depth tour of the French Riviera, from Monte Carlo to Nice, while in Florence you might set out into the Tuscan countryside bound for Siena.

Those guests sailing the Caribbean will have choices that might range from enjoying a folkloric dance in a colonial manor house, touring a dramatic underground grotto, or taking a scenic drive among volcanic landscapes illuminated with flocks of pink flamingos.

On a Canada and New England voyage, take a motorcoach to the dramatic Nova Scotia coast to see the lighthouse at Peggy's Cove. Or spend some time in the Maritime Museum in Halifax, where an exhibit takes you into the world of one of the area's most famous shipwrecks — the Titanic.

All tour programmes are designed keeping in mind that you will want to see as many important sights as possible — with limited time to do so. Many half-day tours allow you free time before or after to explore a destination on your own as well. A selection of full-day programmes where your entire day is planned is also available. Best of all, you never have to worry about getting lost or other issues that could delay your return to the ship.

GENERAL INFORMATION

Cunard Line is a brand of Carnival plc.

RESPONSIBILITY

Transportation of guests and baggage on Cunard are governed by the Cunard Passage Contract, a copy of which will be included with your preliminary documents and is also available upon request. The Passage Contract represents the entire agreement between Cunard and the guest. It is important that you carefully read the entire Passage Contract, as it sets out the rights and responsibilities of Cunard and the guest.

Cunard shall have the right to cancel or alter in any way any scheduled sailing or itinerary which, in its sole judgment and discretion, is justified for any reason and to do so without liability for damage or for any loss to guests. Cunard also reserves the right, in the event of a full-ship charter or for any other reason, to cancel reservations and bookings whether or not a deposit or full payment has been received. In such an event, Cunard's only liability will be to refund to guests the amount it has received.

The guest is responsible for arriving at the respective ports on time for embarkation and for joining the vessel at its next port of call, if for any reason, a scheduled sailing is missed. Cunard reserves the right to refuse or discontinue passage to anyone when in Cunard's sole judgment, it would be considered a risk to the guest's own safety, well-being and health or a risk to the safety, well-being, comfort and enjoyment of any other guest or crewmember.

All reservations are subject to cancellation if payments are not received by the due date, and are guaranteed only when paid in full at 90 days prior to sailing. Reservations made within 90 days of sailing require full payment within three days of the reservation or sooner, as specified by Cunard.

METHODS OF PAYMENT

Only U.S. dollar payments are accepted via agency check, personal check, American Express, MasterCard, Visa, Diner's Club or Discover Card. Expenses incurred for onboard services/products by the guest or by Cunard on behalf of guests, shall be paid by guest prior to debarkation.

If non-cruise components only are cancelled, the guest will be responsible for any cancellation charges imposed by the airlines, other transportation carriers, tour and ground operators or hotel properties.

REFUNDS

Before a determination regarding a refund can be made, all cruise and air documents must first be returned to: Cunard Line, 24303 Town Center Drive, Valencia, California 91355. Partial use of cruise, airfare, hotel and land extension does not qualify a guest for a refund. All refund requests pertaining to cruise, land and air are subject to final review by Cunard.

CUNARDCARE®

We strongly recommend that all guests purchase comprehensive Trip Cancellation/Interruption Insurance for the full purchase price of the cruise as well as air and/or land programme costs. We also urge you to purchase medical and emergency evacuation coverage if your health insurance does not provide coverage outside of the U.S. Your Travel Professional can provide additional information about the CunardCare Travel Protection Programme which has been specially designed and economically priced exclusively for Cunard guests.

BAGGAGE AND VALUABLES

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Passage Contract. Cunard Line is not responsible for camera equipment, laptops, cash or other similarly fragile and valuable items contained in checked or un-checked baggage. These items, as well as medications and prescriptions, should be carried on and off the ships by the guests themselves. Safe-deposit boxes or in-room safes are available free of charge onboard. For your safety, all guests and all baggage must pass a security checkpoint.

CHILDREN TRAVELLING WITH AN ADULT

Children under 18 years of age must be accompanied by an adult and must be at least six months of age to sail. No child under one year of age will be accepted as a guest on a Transatlantic Crossing or select World Cruise Segments. Private babysitting is not available.

EMBARKATION/DISEMBARKATION

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, guests should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, guests making their own air arrangements should allow three to four hours for transfer time to the airport.

Cunard Line offers optional transfers and hospitality services to the port on embarkation day. Group transfers and services use motor-coaches or minibuses; private transfers use luxury sedans for two guests or luxury club vans for four to eight guests.

Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Call your travel professional or 1-800-7-CUNARD for more information.

GUESTS WITH DISABILITIES/SPECIAL DIETS

Guests with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we may suggest that the guest be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a guest with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations onboard the vessels. Cunard is pleased to permit individuals to bring service animals onboard. In order to make appropriate arrangements, notice that a guest will be travelling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the guest's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

Guests with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely. If guests have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

OPTIONAL AIR PROGRAMME

The availability of the air travel programme may be limited from each gateway. Cunard reserves the right to withdraw any gateway city without prior notice. Within 21 days of departure, the air travel programme is on a request basis and may be unavailable.

Cunard reserves the right to choose the air carrier, service, routing and airport for each gateway city. Airline tickets issued by Cunard are highly restrictive and subject to cancellation and change fees. All airline tickets are the property of Cunard and must be returned to and are refundable only to Cunard. Flight schedules may require that you make connections or stops en route to your final destination or cruise departure. Charges may apply if you change or cancel your air arrangements prior to departure. An additional per-person fee of \$75 for Domestic flights and \$125 for International flights may be charged for air-related changes beginning 75 days prior to sailing.

Some countries require guests to pay an airport departure tax which is not included on the guest air ticket. In most cases, this tax is collected at the airport upon check-in and may have to be paid in local currency. We recommend your travel professional verify any applicable tax for which the guest is to be responsible.

Air fees, taxes and surcharges include all charges related to air transportation imposed by U.S. and/or foreign governmental or quasi-governmental authorities. Air fees, taxes and surcharges vary by gateway city, routing, destination and carrier; and are averaged for each gateway city. Refunds will not be made if actual air fees, taxes and surcharges are lower than estimated. Cunard reserves the right to collect any increases in air fees, taxes and surcharges in effect at the time of sailing, even if the fare has already been paid in full.

Airline seat assignments cannot be confirmed by Cunard. We recommend that you have your travel professional contact the airlines directly for seat assignments, the addition of frequent flyer numbers to your airline record, or to request special meals. Please be advised that not all airlines provide pre-reserved seats. Requests for wheelchair assistance or other special needs, such as oxygen in-flight can only be made directly with the air carrier and are the responsibility of the traveller. Not all airlines allow the use of oxygen in-flight.

It is strongly recommended that you verify both flight departure times and flight numbers at least 72 hours prior to your departure from home. Cunard is not responsible for airline schedule changes after tickets have been issued.

SERVICES PROVIDED BY INDEPENDENT CONTRACTORS

All shoreside tours & services described in this brochure, including air, transfers and shore excursions are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to guests for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels and onboard physicians since they are neither agents nor employees of Cunard.

INTERNATIONAL TRAVEL DOCUMENTS & HEALTH INFORMATION

It is the guest's obligation to obtain and carry with them a valid passport, visas, parental authorisations if required, and public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Consult your travel professional for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United States after your cruise.

Approximately three months prior to departure, guests will be sent a visa application package and requirements for their specific itinerary from an independent visa service agency. We strongly recommend that all guests avail themselves of this service. Depending on the area of the world visited, vaccination/immunization requirements vary considerably, and are subject to change at any time. We suggest that guests travelling outside of their country of residence consider being immunized against Hepatitis A, Typhoid, Diphtheria, Polio and Tetanus. An international certificate, approved by the World Health Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed, and is accepted by health officials at all ports of call. We strongly recommend that all guests contact their personal physician, the Department of Public Health or the Centers for Disease Control to obtain expert medical immunization recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunizations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.

Every effort has been made to ensure that the information presented is accurate at the time of printing. Ship details and other information presented are subject to change at any time, at the discretion of Cunard.
