CARIBBEAN & TRANSATLANTIC

Dear Traveler,

It is with great pleasure that I welcome you to the MSC Cruises family – the fastest growing cruise line in the world.

With lots of hard work and dedication our family-owned parent company, Mediterranean Shipping Company, grew from one used cargo ship into the second largest cargo shipper in the world, boasting a fleet of over 350 ships. It seemed only natural to take our sea-faring experience and expand into the wonderful world of cruising.

Our growth has been phenomenal! Since 2003 our fleet has expanded from four to eight ships. By 2010 the fleet will consist of twelve ships – two of which will be the largest ships ever built for a European ship owner. We are honored that Italian icon and film star Sophia Loren serves as godmother to all our ships since 2003.

We hope that you enjoy the Old World traditions, warmth and flair of our Italian heritage that we hold so dear to our hearts, and look forward to having you join us for your next vacation.

Fondly,

Pierfrancesco Vago
Chief Executive Officer, MSC Cruises

DOUBLE THE CARIBBEAN IN 2008-2009.

The world's fastest growing cruise line sails the Caribbean on two state-of-the-art ships: *MSC Orchestra* and *MSC Lirica*. *MSC Orchestra* offers two spectacular 7-night itineraries on her inaugural Caribbean season. Cruise to the emerald jewels of the Eastern Caribbean, or explore the world of the ancient Maya and the underwater wonders of the Western Caribbean. Or board the *MSC Lirica* on a 10-night voyage to the exotic ports of the Deep Caribbean or the Caribbean Featuring Panama, or on a 7-night sailing to the Eastern or Western Caribbean. Each ship also offers two Transatlantic Ocean Voyages between Fort Lauderdale and some of Europe's most intriguing ports-of-call.

Eighty percent of her Oceanview Staterooms boast private balconies and all accommodations feature flat-screen televisions with on-demand iTV, internet access and mini-bar.

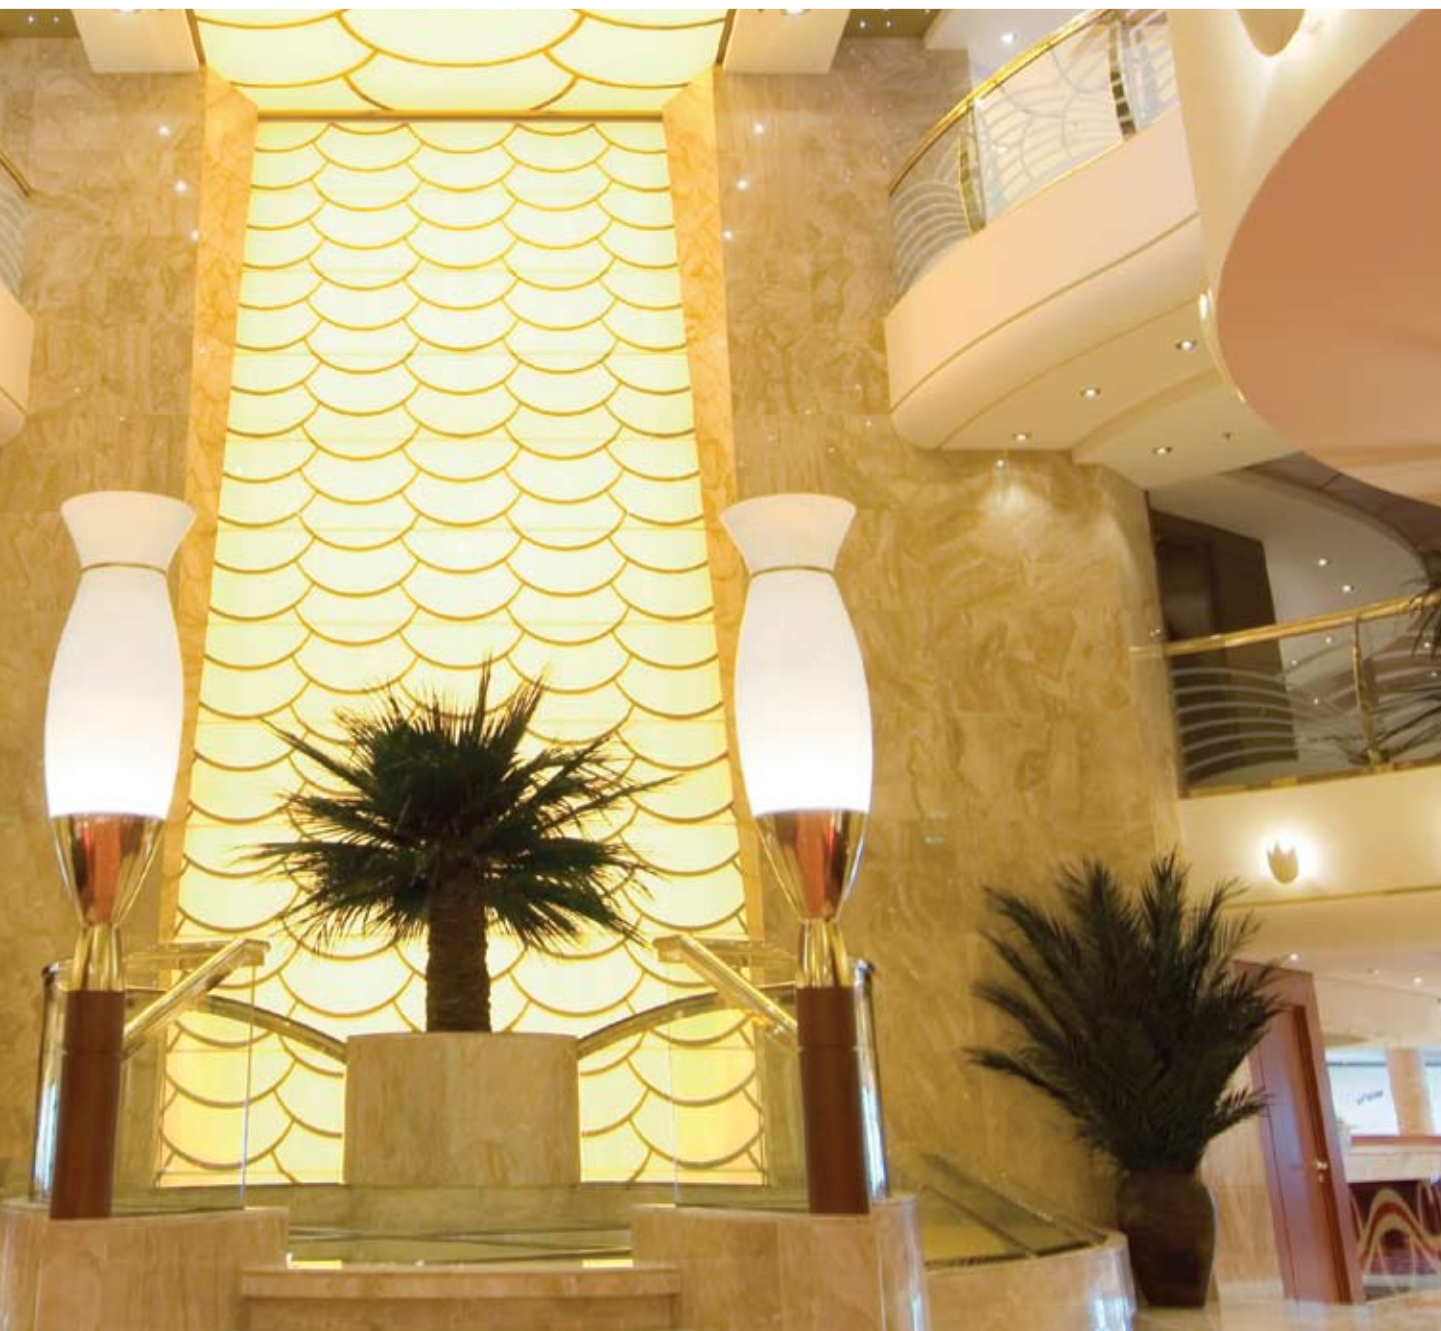

BEAUTIFUL. PASSIONATE ITALIAN.

WELCOME ABOARD

Step aboard the ships of MSC Cruises and you'll step into a world of understated elegance and genuine Italian hospitality. From modern Italian architecture and design to the genuine warmth of our Italian officers. From our signature *Cucina Italiana* cuisine – the perfect combination of Old World recipes and New World flair – to a relaxing cup of coffee in a cozy corner. From the soothing and rejuvenating treatments of our luxurious onboard spas to the nightlife and entertainment in our stylish clubs and lounges.

Our pursuit of perfection makes us who we are: Beautiful. Passionate. Italian.

WELCOME ABOARD

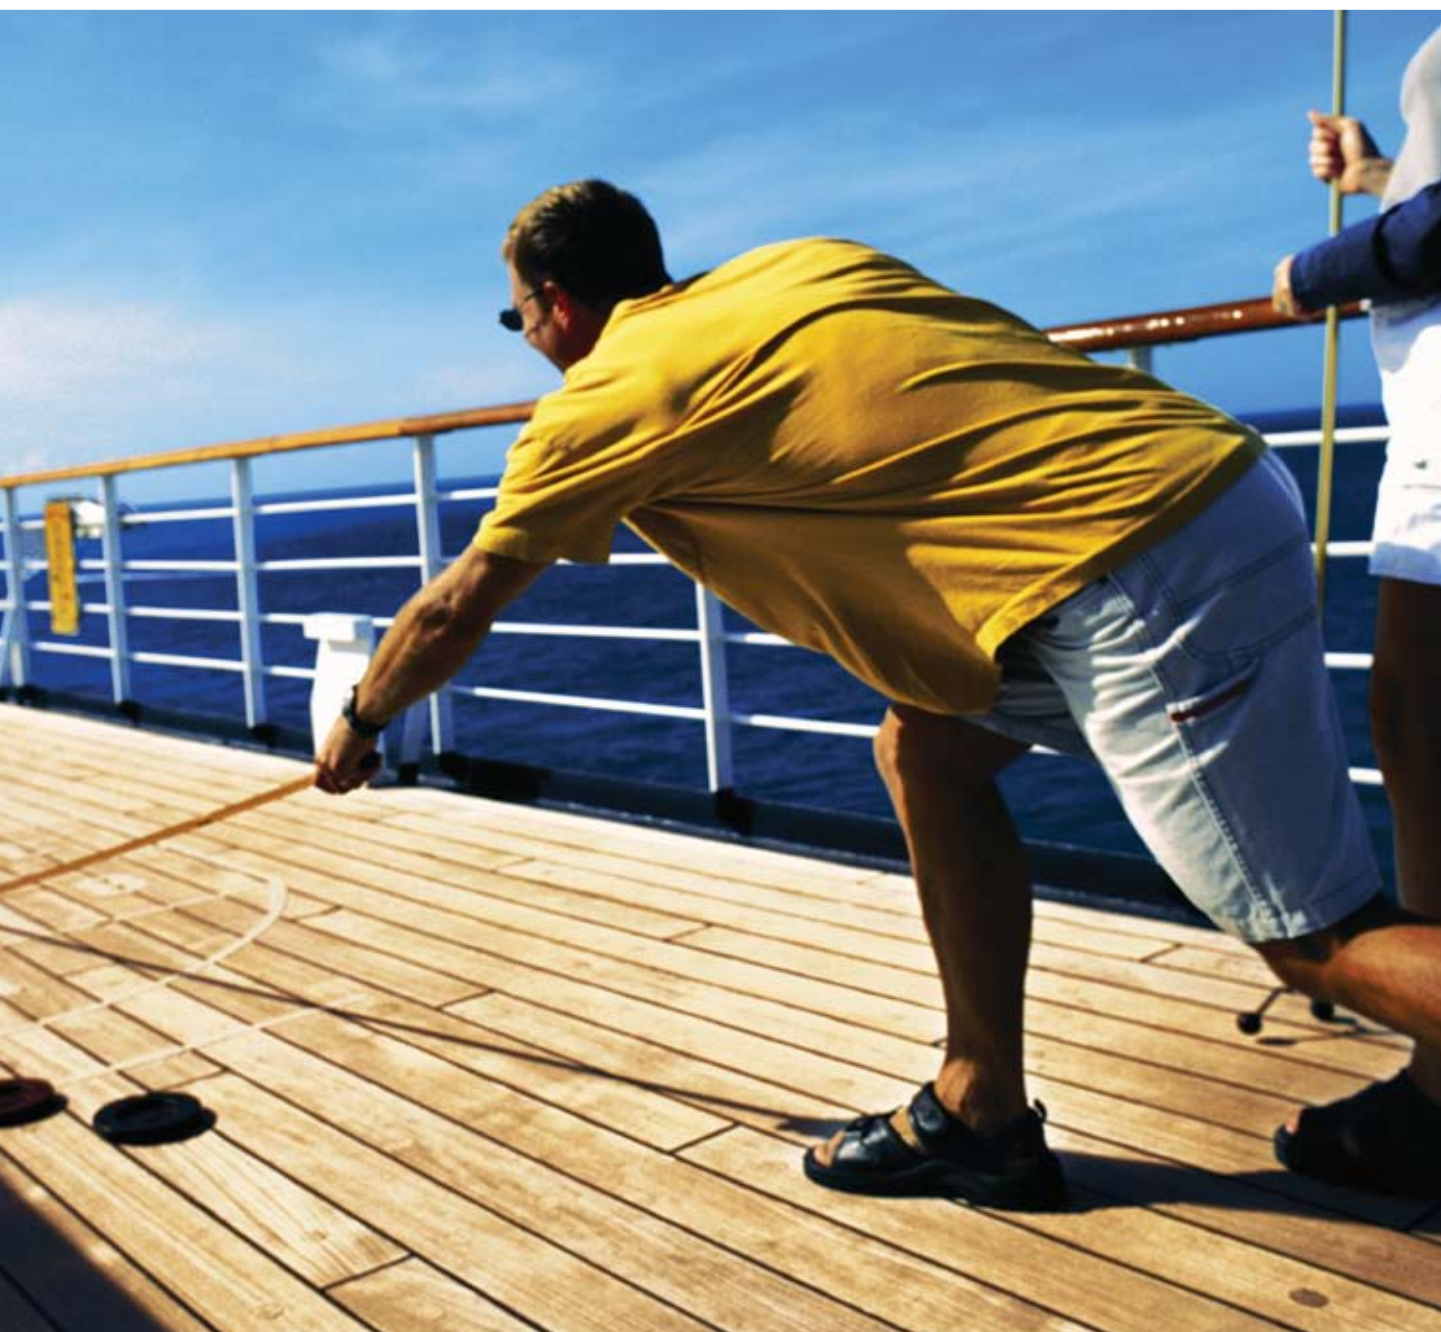

A WORLD OF NEVER-ENDING CHOICES.

LIFE AT SEA

Your days at sea are filled with never-ending choices. Yoga in the morning. An Italian lesson or a good book and a cappuccino in the afternoon. Swimming and tanning. Sports tournaments. Indulgent spa treatments. And best of all, the pleasure of doing absolutely nothing for an hour – or a week.

When the stars come out, MSC Cruises offers some of the best entertainment at sea. There's a different show every night. Gala dinners. Late-night dancing in the disco. A romantic stroll on a moonlit deck. Perhaps a glass of fine wine in the piano bar. Or a chance with Lady Luck in the casino. The choice is yours. Only your mood dictates the evening's program.

LIFE AT SEA

MORNING, NOON AND NIGHT
CULINARY CHOICES ABOUND.

AT SEA

DINING

Aboard the ships of MSC Cruises, there are dining choices for every mood and appetite. An intimate breakfast on your private balcony. Brunch al fresco. A casual poolside luncheon. An elegant seven-course feast in the evening.

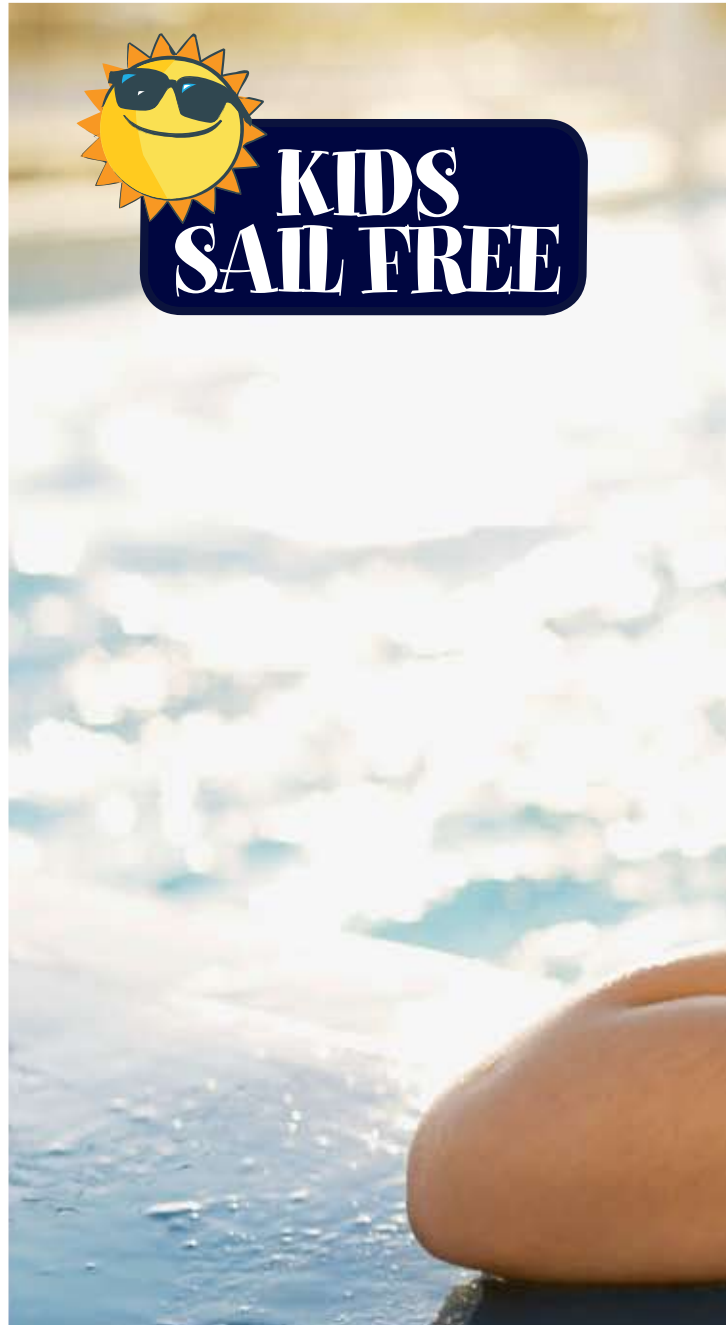

You'll find your familiar favorites on each of our menus and the main restaurants on board our ships also feature a different Italian regional specialty every night of your cruise – the authentic Italian culinary experience that we like to call *La Cucina Italiana*.

And, in addition to the main restaurants aboard *MSC Orchestra*, you may also choose to dine in the elegant 4 Seasons à la carte restaurant or at Shanghai, the only Chinese restaurant at sea.

DINING AT SEA

THE PERFECT VACATION FOR EVERYONE.

VACATION PLANNING

Documents Required

Each guest is responsible for bringing all required travel documents. For Caribbean cruises, U.S. citizens must bring proper identification in the form of a U.S. passport or original or certified birth certificate with a raised seal along with a state or government issued photo identification. Due to countries changing their laws, some itineraries may require all guests to have a passport. In addition, pending U.S. legislation may require passports for all guests as early as January 2008.

U.S. citizens traveling abroad are responsible for bringing all required travel documents for boarding the ship in the country in which they will embark including a valid passport and any visas required for their cruise itinerary. Please note that you are responsible for securing the necessary visas and immunizations.

Please note that debarkation in Libya by U.S. citizens is prohibited by the Libyan government.

Alien residents and non-U.S. citizens should consult with their local consulates for proper identification requirements.

MSC Cruises also strongly encourages its guests to visit the Department of Homeland Security web site (www.dhs.gov) and the United States Department of State web site (www.travel.state.gov) for the most up-to-date traveler information including passport and visa requirements as well as travel advisories and safety recommendations.

Alcohol

Guests 21 years of age or older are welcome to drink alcoholic beverages onboard. Duty-free alcohol is available for purchase in our gift shop and at the ports of call. All alcohol purchases will be held for safekeeping and delivered to your stateroom the last evening of your cruise.

Attire

Casual resort wear is appropriate at anytime. After 6:00 pm, jeans, t-shirts, shorts, and bare feet are not permitted in the ships' public areas. A cocktail dress for women and a suit or jacket and tie are appropriate for men on formal evenings (one on 4- to 6-night cruises; two on 7- to 10-night cruises and four on 15-night or longer cruises).

Children

MSC Cruises offers complimentary children's programs for three age groups. Children three to eight years old are invited to participate in the Mini Club. The Juniors Club is for children between nine and twelve years of age and the Teenagers Club is for all teens. Please note that activities vary according to the number and ages of the children on board.

Communications

Enjoy Internet access 24 hours a day in our Internet café. Wi-fi and cellular services are available in select public rooms. Satellite telephone communications and fax services are available while the ship is at sea. Charges for communication services are posted on board.

Dining

When making your reservation, please let us know your preferred dining time. Dining requests are on a first come, first served basis. There is no guarantee that you will be assigned to your preferred dining time, however, we will make every effort

to accommodate your request. Your confirmed time of dining and table number will be confirmed upon embarkation.

Evening dining times are listed below. Please note that dining times may vary depending upon the ship's port arrival and departure times and is at the Captain's discretion.

Evening Dining Times (approximate)

	First Seating	Second Seating
Caribbean and Ocean Voyages	6:00 pm	8:15 pm

Breakfast and lunch in the dining room are open seating. Breakfast and lunch buffets are also served on the pool deck. Room service is available twenty-four hours a day (surcharge may apply). MSC Cruises makes every effort to accommodate our guests' special dietary needs. Requests must be submitted at least 21 days prior to sailing and should be confirmed with the maitre d' on the day of embarkation.

Gambling

A variety of games including slots, blackjack and roulette are available in our casino. The accepted form of currency for betting in the casino is the U.S. dollar on Caribbean sailings and Transatlantic voyages.

Gratuities

At MSC Cruises we recognize that exceptional service is the most important aspect of your cruise experience. As our guest, it is our goal to make sure you receive the finest in personal service. We have made it convenient for you to reward the excellent service you received. Customary gratuities, which vary by itinerary, will be added to your onboard account.

Per person per day gratuities for adults are: \$12 (USD) for Caribbean sailings and Ocean Voyages. Per person per day gratuities for children are 50% less.

Should you wish to make adjustments you may do so by contacting the guest reception desk at any point during your cruise. Your maitre d' and his assistants, your waiter and busboys, buffet staff, your stateroom attendant, room service, and bellboys will share this gratuity (casino dealers and spa personnel do not share in this charge since not all guests utilize these services). Gratuities are not mandatory; they are at your discretion.

Separately, a gratuity on all bar checks for your servers is included in the price of your drinks. In port terminals, airports, ports of call and on shore excursions, we suggest that you extend gratuities consistent with local customs.

Laundry

Laundry services are available for a nominal fee.

Onboard Currency & Purchases

For your convenience, we provide a cashless system that allows you to sign for all of your onboard purchases (with the exception of the casino on all ships).

At embarkation, you will receive your Cruise Card upon presentation of a credit card. This magnetic card serves as your identification, stateroom key and charge card for all onboard expenses (bars/refreshments, laundry, room service, spa services,

beauty salon, shopping, etc.). At the end of your cruise you will receive an itemized bill that may be settled in cash or with a credit card. Please note that the accepted form of currency on board is the U.S. dollar on Caribbean sailings and Transatlantic voyages and the Euro dollar on eastbound Transatlantic voyages. VISA, MasterCard and American Express are also accepted. Personal checks and credit cards other than those listed above are not accepted.

If you do not have a credit card you must establish your onboard account by leaving a deposit of \$200 per person or \$300 per family (two adults and two children) with the cashier upon embarkation. The deposit must be made in cash or traveler's checks. When your onboard purchases exceed your deposit, the deposit must be replenished before you can continue to make charges. If at the end of your cruise your deposit exceeds the amount of your purchases, the difference will be returned to you.

Small amounts of European and US currencies and traveler's checks can be exchanged at the Purser's Office on board. Commission charges may apply.

NOTE: All accounts are settled the morning of the day before disembarkation. Thereafter, guests must pay for any drinks and other purchases in cash. Guests are advised to ensure that they have sufficient cash to pay for these expenses during the last day of the cruise.

Shore Excursions

MSC Cruises offers a variety of shore excursions to enhance your cruise experience. We recommend pre-booking your shore excursions as space may be limited once on board.

Smoking

MSC Cruises has introduced a "Clean Air" smoking policy throughout its fleet, designed to allow both smokers and non-smokers to enjoy their cruise in mutual respect. On each MSC Cruises vessel, smoking is only allowed indoors in the Casino and in one dedicated lounge. Guests can also smoke outside, on one side of the Sun Deck. No Smoking is allowed in staterooms or on stateroom balconies. The remaining areas of the ships are smoke-free for the benefit of non-smokers.

Spa Services

Enjoy rejuvenating treatments like body wraps, massages and other relaxation therapies. Our complimentary meditation room provides a tranquil space with magnificent ocean vistas. Pre-bookable spa packages are available and we recommend booking individual spa services prior to sailing or early upon embarkation as appointment times are quickly taken.

Theme Cruises

A variety of theme cruises, including Baseball Greats, Big Bands and more, will be offered on select sailings throughout the 2008|2009 Caribbean season. Please visit us at www.msccruisesusa.com for more information.

Vacation Insurance

MSC Cruises offers you the option of valuable insurance protection that can cover your vacation should you have to cancel or interrupt your trip. Protecting your vacation investment is easy and affordable. You will have the option to purchase insurance coverage when you book your cruise. For benefit schedule and policy details, please contact your preferred travel professional or visit us at www.msccruisesusa.com.

- Reservations cancelled 15 days or less prior to sailing, the cancellation charge is equal to 100% of the total fares, excluding taxes.

No refund will be issued if a guest voluntarily or involuntarily does not show up for their cruise, is denied boarding for any reason including failure to possess required travel documents, passport or visa or terminates his/her cruise in progress. Cruise contracts are non-transferable.

Name changes and cruise date changes are considered reservation cancellations and are subject to the above cancellation charges. Cancellation charges are assessed on total fares, which include cruise fare, air add-ons, hotel packages, and any other additional services arranged through MSC Cruises.

Cruise Fare

Cruise prices listed are U.S. dollars, per person, based on double occupancy, cruise-only, capacity controlled and valid for residents of U.S. and Canada. Single occupancy rates for all categories are available upon request.

• Kids Sail Free offer applies to children age 17 (at time of departure) and under sailing as 3rd/4th occupants in stateroom. Offer is subject to availability of 3 and 4 berth staterooms, is capacity controlled, cannot be combined with any other discount or promotion. This promotion is for cruise-only Early Booking Fares and cannot be combined with air add-ons, hotel packages or transfers. Additional restrictions may apply. Government fees and taxes are additional.

All cruise prices include selected stateroom accommodations, ocean transportation, all meals aboard ship (except specialty and à la carte restaurants) and entertainment offered by the cruise vessel. Cruise prices DO NOT INCLUDE: Government fees and taxes, transportation to/from ship, shore excursions, sightseeing or meals ashore, meals in specialty and à la carte restaurants, laundry, wine, beer, liquors, cocktails, soda, mineral water, medical expenses, spa, beauty salon, gaming, onboard shopping, onboard gratuities to the ship's personnel or any other items of a personal nature.

Taxes & Surcharges

Government fees and taxes may include any and all fees, charges and taxes imposed by U.S. and/or foreign governmental and quasi-governmental authorities, including U.S. customs fees, head taxes, hotel taxes, air taxes, taxes incurred as part of a land tour, inspection fees, immigration and naturalization fees and Internal Revenue Service fees. Government fees and taxes are subject to change and MSC Cruises reserves the right to collect any increases in effect at the time of sailing, even if the fare has already been paid in full. Government fees and taxes are collected for all guests regardless of age. MSC Cruises reserves the right to pass on any fuel surcharge without prior notice to guests.

Luggage and Personal Effects

MSC Cruises, its employees and agents do not accept responsibility for loss, damage or theft of guests' luggage or any personal effects. MSC Cruises' responsibility with respect to lost, damaged or undelivered luggage is strictly limited as stated in the Passenger Contract. In the event of loss or damage to luggage or personal effects, immediate notification should be made to a representative of MSC Cruises.

Itinerary Changes

MSC Cruises reserves the right to cancel, change, modify or substitute ports of call at any time and for any reason whatsoever without prior notice, and shall not be held liable for any loss to guests by reason of such change, cancellation or substitution.

Minors

Any guest under the age of 21 years must be accompanied by a parent or responsible adult over the age of 21 who expressly agrees to be responsible for the minor and is booked in the same or connecting stateroom.

Health and Medical Requirements

Guests are requested to report any physical or mental condition or disability that may require special attention or treatment to MSC Cruises at time of booking. Shipboard medical services and facilities, including medical personnel, are available to all guests at a reasonable rate. Guests are required to bring an adequate supply of medication.

Medical Services

Medical services are provided aboard MSC's vessels as a convenience to passengers. There is a charge for services and/or

medicines provided by the ship's doctor and medical personnel. MSC's vessels are equipped with an infirmary that is usually staffed by a physician and nurse(s). Although many injuries are capable of being treated on board, the shipboard medical infirmary has limited medical equipment and not all injuries or conditions can be adequately treated aboard the vessels. In some circumstances, the medical personnel may arrange for a visit to a shore-side medical facility at a port of call. Depending on the itinerary, available shore-side medical facilities may also have limited treatment capabilities. Due to the nature of sea travel, urgent medical evacuation at sea is not always feasible due to reasons beyond MSC's control. Guests should confer with their family physician to ensure they are fit for travel by sea. Although the ship's doctor and medical personnel may wear uniforms or badges with an MSC insignia, the doctor and medical personnel are independent contractors. MSC does not control the medical treatment rendered to guests by the medical personnel aboard its vessels.

Special Needs Guests

MSC Cruises welcomes guests with special needs and makes every effort to accommodate the needs of persons with disabilities. In order for us to provide the appropriate assistance, we request you provide us in writing at the time of booking, but no less than 72 hours prior to departure, details of any disability or medical or mental condition which may require or make advisable special accommodations, or the use of a wheelchair or other equipment, or medical treatment.

- **Wheelchairs:** We advise guests using a wheelchair to travel with someone who is able to assist them both aboard and ashore. Some ports of call require tenders to go ashore and may preclude guests using wheelchairs from leaving the vessel; this decision must be made by the ship's Master and is binding. Guests must bring wheelchairs for their own use. Only a limited number of wheelchairs are available on board. MSC Cruises offers a limited number of wheelchair accessible staterooms. Please note that in non-wheelchair staterooms there is a 2-inch riser in front of the bathroom and doors are 29.5 inches wide. If you wish to receive additional detailed information about the accessibility features of our ships, have your travel agent contact us at 1-800-666-9333.

- **Pregnancy:** MSC Cruises cannot accept expectant mothers who will have entered the 27th week or third trimester of their pregnancy by the beginning of or at anytime during their cruise.

Non-Shipboard Activities

MSC Cruises acts only as agent for the supplier of other off-ship services such as airlines, transportation carriers, shore excursions and accommodations. Guests are reminded to keep all receipts and/or tickets issued by such off-ship suppliers, as the guests' only recourse for injury, death, loss or damage caused while not on board the vessel will be against such off-ship suppliers.

Independent Contractors

MSC sells optional shore excursions aboard its vessels. These shore excursions are operated by independent contractors over which MSC has no control. MSC's vessels carry onboard service providers which may include hairdressers, manicurists, masseuses, photographers, entertainers, fitness instructors, shopkeepers, medical personnel and other service providers who are independent contractors. MSC is not responsible for the actions of independent contractors that work aboard its vessels or provide services to MSC's guests.

Responsibility

MSC Cruises is not to be held responsible for any act, error or omission during the time guests are not aboard the MSC Cruises vessels. MSC Cruises acts only as an agent for the supplier of the other off-ship services such as airlines, and transportation carriers, shore excursions and accommodations as featured in this brochure. Guests agree not to hold MSC Cruises, its owners or agents, responsible or liable for any loss, injury, expense or damage which results directly or indirectly from any act of omission, whether negligent or otherwise, of any third party person or firm which is to, or does, provide goods or services in connection with the trip or any available option. Without limiting the foregoing, MSC Cruises shall have no liability to guests for the quality of services and the condition, cleanliness or safety of a hotel, housing facility or conveyance, or for any transportation delay, including but limited to liability for inconvenience, shortened vacation time, additional expenses, or any other kind of damage. MSC Cruises expressly disclaims all responsibility of any nature whatsoever for any loss, damage or injury to property or person resulting from air, rail or motor coach transportation. It is MSC Cruises' mission to provide a safe and enjoyable cruise to all guests. If, at any time, the Captain believes that a guest is a danger to himself or herself or is a danger to any other MSC Cruises guest or crew member, or if a guest causes a disturbance which affects the peaceful enjoyment of the cruise by other guests, the Captain can deny a guest passage or can choose to terminate early the voyage of such person. MSC Cruises will not be responsible to refund any portion of the fare paid by the guest put off the vessel and will not be responsible for the cost of lodging, food, transportation or other expenses incurred by the guest after being put off the ship.

Note: Information contained herein is subject to change without notice and MSC Cruises reserves the right to refuse to honor any prices that are erroneously printed or quoted. MSC Cruises is not responsible for any misprints appearing in this brochure.
